Dear friends,

We are inviting you to collect items for our fellow neighbors in need of food and personal care items. The goal of this advent-giving drive is to replenish supplies to serve our families into the New Year.

Would you be willing to contribute to fight local hunger? A gift of any amount of food or home essentials would make a positive impact in our community.

For monetary donations, simply scan the QR code or visit the link below. You can also increase your impact by sharing our donation link on social media! The more exposure we get, the better it is for us to raise awareness and combat food insecurity.

happy holidays

With love, Feast of Justice
